

BED BUG CONTROL

Manitoba is experiencing increased bed bug activity. MDA wants to keep you and your clients bed bug free. Using encasements on mattresses, boxsprings and pillows, along with frequent laundering will aid in the prevention and reduction of bed bug numbers.

Mattress & Box Spring Covers

Polyester Knit Mattress Covers

Breathable stretch polyester knit fabric with urethane top and stretch knit bottom, Zip 'n Stick tape closure, self locking zipper and internal flap for additional protection, laboratory tested and certified bed bug proof.
