

Toner Cartridge Recycling Program

To Return Used MDA Toner Cartridges

For Interdepartmental Mail (IDM) clients:

- Re-package toner cartridges using the original plastic bag and box.
- Do NOT place cartridges directly into IDM bags as residual toner may leak onto mail.
- Place beside your IDM bag for pickup.
- No IDM sticker required for returning used toner cartridges.

Winnipeg IDM clients:

- When returning *more than three* used cartridges, call MDA at 204-945-2820 one day prior to your mail pick-up.

For clients outside the IDM system:

• OPTION 1:

Visit h30248.www3.hp.com/recycle/supplies to use HP's Canada Post label printing option.

If you are unable to print, you may also:

• OPTION 2:

Re-package cartridges and write "For recycling" on the boxes. Drop them off at MDA, 1715 St. James Street, from Monday to Friday between 8 am and 4 pm.

• OPTION 3:

Take them to your local recycling depot.

Click here for instructions on returning unused MDA toner cartridges and additional information.

To place an order, contact:

P. 204-945-3000
mda@gov.mb.ca
mda.gov.mb.ca

Please note: Items in flyer may not be exactly as shown.
