

MDA Mail Services Quick Tips

Potential Postal Disruption

A general postal disruption may occur as early as September 26, 2018, involving Canada Post Corporation and the Canadian Union of Postal Workers.

In the event of a strike, MDA will be sending mail to 24 distribution points throughout Manitoba, including one Winnipeg location at 401 York Avenue. Only essential mail will be distributed from these locations.

MDA Interdepartmental Mail and courier services (including Purolator) will not be affected by a potential postal disruption.

Please monitor the Manitoba government Intranet for updates.
