

Now Available...

The new 2015/2016 MDA Products & Services Catalogue is now available. To request a copy or to order additional copies, please contact us at mdamarketing@gov.mb.ca.

The catalogue can also be viewed on our website www.mda.gov.mb.ca.

MDA Prize Package Winner

On May 26, MDA attended the Institute of Public Administration of Canada's (IPAC's) regional group conference, entitled "Rising to the Challenge: Delivering Better Public Service in 2015 and Beyond."

Congratulations to Cathey Day, Manager of the Southwest GO Team in Melita, for winning the MDA prize package!

MDA Mail Services

Parcel Mail

Thermal labels are applied to all parcels going through Canada Post. These labels are 4" x 6" and contain a barcode which cannot be folded around the parcel.

Items smaller than 4" x 6", such as business card boxes or very small tubes, must be placed in a larger box or bubble envelope big enough to accommodate a thermal label.

Parcels destined to USA or international destinations also require customs documents that we prepare. Clients must identify to MDA exactly what parcels contain to ensure the documents are fully completed and parcels are not held up at customs.
