Winnipeg IDM Clients:

- If returning **more than three** used cartridges, call MDA at 204-945-2820 one day prior to your mail pick-up.

For Clients Outside the IDM System

- **OPTION 1:** Visit <https://h30248.www3.hp.com/recycle/> supplies to use HP's Canada Post label printing option.

Please Note

We recommend offices maintain a minimum supply of replacement toner cartridges to avoid unnecessary expense and to maintain toner reliability.

Consider the environment – less printing, less toner, less paper.

Ordering Methods

MDA provides the following convenient ordering methods to help meet your department's ordering requirements.

- SAP (only for Manitoba Government 4600016364)
- Purchase Order (submit by fax 204-945-0293 or email mda@gov.mb.ca)

Minimum Orders

In an effort to reduce processing costs, increase order efficiency and lessen our environmental impact, MDA strongly encourages replacing frequent small orders with fewer large orders. Fewer orders means less packaging material, fewer processing steps and a reduction in carbon dioxide emissions related to shipping.

Help reduce our footprint on the environment while keeping Manitoba cleaner and greener.

MDA reserves the right to charge a minimum order fee of \$15 on orders less than \$40.

Ordering Through Provincial Government SAP

The Outline Agreement to obtain products for stationery, janitorial, furniture or government forms is available in SAP. All government departments are under the same Provincial Outline Agreement. The Outline Agreement number is 4600016364.

The procedure for creating a Release Purchase Order from an Outline Agreement is documented in chapter 5 of the STEM Basic Requisitioning Course. See the Downloads section at www.mda.gov.mb.ca.

Creating a release purchase order against an MDA Outline Agreement

- Review the MDA catalogue and make a shopping list of your required products. The shopping list should include the SAP numbers and the quantity needed for each product.

NOTE: The Outline Agreement item number is the same as the MDA catalogue item number.
- Create a Release Purchase Order for Outline Agreement 4600016364.

Highlight the items and click **>Adopt**. The items will be copied into your Release Purchase Order.
- Enter the appropriate quantity for each item. The prices appear after you copy the Outline Agreement items to your Release Purchase Order. **Be sure to watch the unit of measure – Are you ordering an “Each” or a “Case”?**
- IMPORTANT INFORMATION REQUIRED**
Enter your name, phone number and MDA customer number* in the Leading Document Text using the menu path **>Header >Texts >Text Overview**. Be sure to indicate the delivery address, contact name and phone number. Also include the invoice address, contact name and phone number.
